TO: UAHR Reps - Heather Ridge Golf Facilities Update – PLEASE UPDATE YOUR HOA RESIDENTS WITH THIS INFORMATION via your newsletter

The mortgage holder now has management control of the facilities; and has retained Cordes & Company for transitional, ongoing support services. Although nothing is firm at this time, a few qualified buyers remain interested to purchase the facility. Golf pro **George Wahbeh** remains General Manager. The facility is open to the Heather Ridge community and their guests for all activities. Many social activities are happening and are scheduled for the future. You may visit [golfhrcc.com](http://golfhrcc.com) for the latest up-coming events. Reservations are requested and even required for some events because of the large number of attendees. DON'T BE TURNED AWAY AT THE DOOR (because you failed to have a reservation or tee time).

Remember, Heather Ridge residents may call 303-755-3550 or email **George Wahbeh** ([hrccpga@hotmail.com](mailto:hrccpga@hotmail.com)) for any questions or reservations. Please alert all UAHR residents to visit [golfhrcc.com](http://golfhrcc.com) for any schedules/events. If you wish to be placed on a HRCC email activity update, call or email George with your email address. Thank you, resident **Ed Kay**, Heather Ridge South for this suggestion.

Even for this time of year business is brisk. I'm sure you have seen many golfers in this early season; and the golf course is in the best shape ever in the last 10 years. Many of your neighbors, Heather Ridge residents and their guests are using the facilities. Remember the financial success is consistent with our UAHR mission listed below.
